

# Our footprint

How it's made

# Your footsteps

How it performs

**marmoleum**<sup>®</sup> is made from **97%** natural materials

**100%** of **tessera**<sup>®</sup> carpet trim is recovered in the UK

**coral**<sup>®</sup> welcome primary backing is made from recycled pop bottles

**<60%** recycled content in the backing of our **vinyl** ranges

**>70%** recycled content in the backing of **westbond**<sup>™</sup> carpet tiles

**43%** recycled content in **marmoleum**<sup>®</sup>

**<52%** recycled content in **flotex**<sup>®</sup> tiles and planks

**100%** of aluminium and steel waste from our **nuway**<sup>®</sup> production is recycled

**All** our UK plants are **certified to SA8000<sup>®</sup> OHSAS 18001**

**All** our plants are **certified to ISO 14001**

**forbo**  
FLOORING SYSTEMS

creating better environments

Patron of **Outward Bound** charity

**MADE IN THE UK**

**5 UK** factories  
**>500** Employees

**100%** of our packaging is recyclable

**THE CAMPAIGN FOR WOOL**  
Patron: HRH The Prince of Wales

**westbond**<sup>™</sup> natural carpet tiles are made from undyed wool from British sheep

**>58%** recycled content in all **tessera**<sup>®</sup> tufted carpet tiles made in the UK

Ultrasonic cutting of **allura** reduces waste by **80%**

**ECONYL**<sup>®</sup> yarn made from abandoned fishing nets

**100%** of **westbond**<sup>™</sup> polyamide carpet trim is recovered in the UK

**SAVE A SAMPLE**  
FORBO'S SAMPLE RETURN PROGRAMME  
Save a **Sample** and reduce the amount of virgin material used

**<65%** reduction in cleaning time when **coral**<sup>®</sup> is installed

All Forbo products sold and made in the UK are produced with **100% electricity from renewable sources**

Our innovative random-lay carpet tiles reduce fitting waste to less than

**2%**

**marmoleum**<sup>®</sup> is biodegradable in a controlled environment

reduces scuffing so less cleaning

**marmoleum**<sup>®</sup> and **flotex**<sup>®</sup> are approved by Allergy UK

**marmoleum**<sup>®</sup> inhibits the growth of MRSA, C Difficile and other bacteria

**flotex**<sup>®</sup> releases twice as many allergens on cleaning than standard carpet

**95%** of dirt and moisture can be kept outside the building with **coral**<sup>®</sup>

**nuway**<sup>®</sup> tuftiguard mats are reversible, effectively doubling their life

We work with Recycling companies to clean, reuse and recycle old carpet tiles in the UK

**allura flex** tiles can be easily removed to recycle at the end of their life

Here in the UK we recycle installation waste back into Forbo products
