## Welcome

Our goal through the *Cruise & Ferry* brand is to be the definitive resource for news and insights into passenger shipping. Through the pages of our magazines and via our digital channels we provide an unparalleled perspective on the successes, challenges and business issues faced by this unique industry.

Cruise & Ferry Review is published twice per year, in Q1 and Q3, while its sister publications, Cruise & Ferry Interiors and Cruise & Ferry Itinerary Planning, are published in Q2 and Q4 respectively. Consequently, we produce a total of four publications over the course of each year. All are available in print and digital format and offer opportunities for you to enhance your business's brand awareness and facilitate communication with customers and industry leaders.

This media information document is intended to provide you with everything you need to make an informed decision about how best to promote your business within *Cruise & Ferry*-branded publications to our loyal and engaged readership.
