Welcome

Cruise & Ferry Interiors celebrates the work of individuals and companies whose creative genius and hard work has resulted in the most inspired interiors in today's passenger ships.

The interiors of passenger ships have developed as rapidly as the industry has expanded, providing a crucial element in attracting new passengers, ensuring customer satisfaction and securing repeat business. The creative articulation of a ship's interior has a key role and it is the designer's task to offer visual diversions and ambience to delight passengers as well as to encourage a sense of social cohesion onboard.

Distributed in more than 70 countries, *Cruise & Ferry Interiors* is an annual publication dedicated to passenger ship interiors and the people behind them. The magazine has become an essential resource for cruise lines, ferry companies and shipyards, both for their newbuild and refurbishment projects. As with *Cruise & Ferry Review*, we offer advertising opportunities that cover print as well as a range of display options within our digital editions.

Cruise & Ferry Interiors is the official magazine for the Cruise Ship Interiors Expo events and will be the only publication in the delegate bag. I am delighted to be a member of the advisory panel for the event and hope to see you there!

Testimonials

“I’ve been reading *Cruise & Ferry Interiors* since I started designing the ships. I found great trust in the facts and I also found the publication so helpful to educate myself on the suppliers for the cruise industry. Not only is it a nice read – it is also a great looking magazine and brings that glossy feel that any designer would like to be published in. Thank you for all your hard work and thank you for letting me be part of it!”

“As newcomers to the industry, *Cruise & Ferry* is our go to publication... we read it cover to cover and sometimes over again! It provides a wealth of insight and support to our design studio. I particularly love *Cruise & Ferry Interiors*, it’s inspiring to read about what other designers are creating.”

“I always enjoy reading *Cruise & Ferry Interiors*.”

Petu Kummala

“We’ve always had *Cruise & Ferry Review* in circulation at the AD Associates studio because it’s a comprehensive industry-leading publication. So we were all delighted when they decided to make the *Interiors* supplement a bigger, standalone magazine. This move recognises and acknowledges the growing importance of cruise design. It’s equally as comprehensive, and now an even more relevant source of information and reference for the studio team!”

Jacco van Overbeek
Bolidt

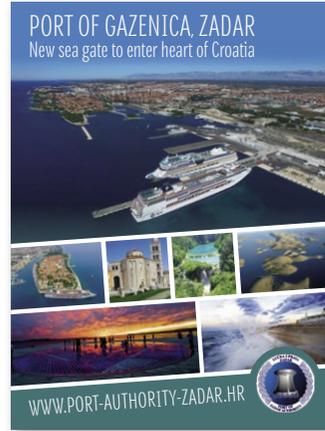

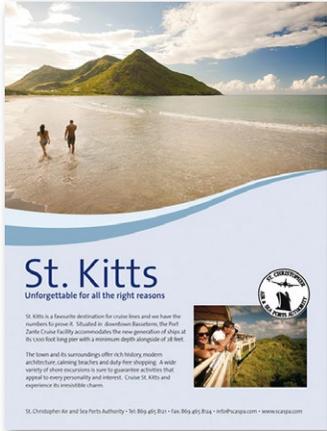

Cruise & Ferry Interiors is my go-to source for finding out the latest interior projects and new materials in the cruise industry. It is the source to see what is transpiring in the interior world of new builds and refurbishments. The magazine is my glimpse of what brands are doing that we at DADO don’t currently work with. Also what my fellow architects and designers are doing and learning of new products as well as new uses and advances of existing products. *Cruise & Ferry Interiors* is my must-read.”
