Welcome

Cruise & Ferry Itinerary Planning celebrates the work of the individuals and companies whose tireless efforts continue to fulfil the dreams of the millions of people who go on a cruise every year. And every year these people have to reinvent their approach to keep itineraries fresh and inviting for both new and repeat passengers.

This talented group of itinerary planners achieves the highest levels of customer satisfaction – thanks largely to the ports, destinations and service providers who all share the same vision for continued industry improvement. The passion, focus and determination that is commonplace in the cruise business has delivered growth that we have witnessed in recent times and is the envy of the rest of the hospitality sector. Published in November, our annual *Cruise & Ferry Itinerary Planning* publication continues to make an important contribution to the positive evolution of the business and celebrates the businesses and people who are charting this course.

Distributed throughout the world, *Cruise & Ferry Itinerary Planning* has become an essential resource for industry leaders and as with its sister publication, *Cruise & Ferry Review*, we offer advertising opportunities for organisations and companies to showcase their port, destination or services.
